Frames sold separately.

The Smooove 1 RTS is a single channel, battery-operated wall switch for Radio Technology Somfy® powered products.

Surface-mount design eliminates the need to cut the drywall which makes installation quick and simple.

Available with seven decorative color frames, Smooove easily complements any décor.

Radio Technology Somfy®

OVERVIEW:

The Smoove 1 RTS is a single channel wall switch to control nearby Radio Technology Somfy® (RTS) motorized window coverings. The switch is surface-mounted and battery-operated. Frames are available in multiple colors and finishes (sold separately).
